

NURSING, BS - TRADITIONAL OPTION FOR HS SENIORS AND RECENT GRADUATES

The Bachelor of Science in Nursing - Traditional Option seeks to admit current high school seniors and recent high school graduates who experienced a rigorous college preparatory curriculum. Students are admitted once per year in the fall semester, for a total of eight semesters over three academic years. The program prepares graduates to sit for the NCLEX-RN licensing exam.

Program Student Learning Outcomes

Upon completion of the Bachelor of Science degree with a major in Nursing program, the graduate will be able to provide **Culturally Competent Care** with achievement of the following outcomes:

1. Demonstrate leadership and management skills to provide holistic, quality care and health promotion for individuals, families, and aggregate groups within the community. (SLO #1: Patient – Centered Care)
2. Formulate recommendations based on practice standards for collaboration with inter-professional teams to address the healthcare needs of individuals, families, and aggregate groups in a variety of settings. (SLO #2: Teamwork and Communication)
3. Integrate knowledge of nursing theories, science, and evidence-based research for clinical decision-making in nursing practice. (SLO #3: Evidence-Based Practice)
4. Evaluate healthcare systems to recommend quality improvement measures that contribute to practice standards and protocols for improvement of health outcomes. (SLO #4: Quality Improvement and Patient Safety)
5. Demonstrate information literacy in healthcare informatics to manage nursing care for effective, efficient healthcare delivery. (SLO #5: Informatics)
6. Design effective health promotion interventions for populations from diverse backgrounds in congruence with the community's healthcare needs, preferences, customs, values, and beliefs. (SLO #6: Culturally Competent Care)

Requirements

For information on admission to the program: Nursing Admission Requirements (<https://catalog.monroecollege.edu/catalog/admissions/undergraduate-admissions/>)
